

Inclusion Contact: Blind Spots – Overcome Stereotypes

Stereotypes can influence our perception of who's the "right fit". They may create a road block towards our destination.

Watch this video: [Blind Spots: Overcome Stereotypes](#).

Video length – 3:25

Discussion

- What studies or messages in the video surprised you the most? Why?
- Have you experienced a time when your mental picture of someone did not match their appearance? How/why did you develop that mental picture? How did you handle the disconnect?
- What challenges might "fit" present for our ideas of who is a leader?
- How does the media influence prototypes?
- How can you challenge or change potential societal stereotypes of who may be right for a particular role/profession/career?
